EAR CANDLING

10-12 inch cylindrical, hollow, cones made of linen dipped in paraffin wax. Fits snugly in the opening of the ear canal, the "candle" is lit and the process of convection takes place. Designed to loosen and remove ear wax and fluids. This process softens waxes and toxins into vapors during the procedure.

Beginning Session \$25

(Includes 2 candles)

Each additional Candle \$5

Conditions that may benefit from Ear Candling:

Headaches	Ear aches & pain
Plugged ears	Ring in the ears
TMJ dysfunctions	Ear infections
(Temporal Mandibular Joint)	Chronic sinusitis
Imbalance	Hearing challenges
Inner ear pressure	Excessive wax
